CHANGES TO PROCEDURES FOR ELECTRONIC FILING OF MATERIALS

The Tribunal is presently formulating directions with respect to the electronic filing of materials. These will be trialled during 2015.

In the interim, the Tribunal directs that for documents lodged in PDF, bookmarks must be inserted into the document. Bookmarks facilitate the location of contents within the document. This link explains the process: <http://tv.adobe.com/watch/acrobat-x-tips-tricks/how-to-add-pdf-bookmarks-to-a-document/>
